

**YOUR WILL
... TO MAKE A
DIFFERENCE**

**PENINSULA
SCHOOL
FEEDING
ASSOCIATION**

You can't teach a hungry child

YOUR WILL ...

Ensuring that you have a Will, and keeping it updated, is essential to:

- staying in control of your hard earned assets,
- the security and care of your loved ones beyond your own lifetime,
- having your most important wishes honoured and carried out.
- But there is often space in a Will for more than that - by the inclusion of a charitable bequest.

If you have both the potential and willingness to leave a legacy to doing further good in the world, please will you make the Peninsula School Feeding Association your choice.

A bequest to the Peninsula School Feeding Association can be a specific sum, percentage or residual of your estate, shares, an insurance policy, property or items of value – and made by:

- including the bequest in the drawing up of a new Will;
- inclusion when updating your existing Will in entirety;
- adding a Codicil to your Will at any time.

Your financial advisor is the best person to advise you in this regard.

WHAT ARE THE BENEFITS TO YOU?

- You'll be creating a future memorial to your life, and make an on-going difference in the lives of others.
- Charitable giving can reduce estate duty.
- It's an opportunity to give a donation of substantial size that you might not ordinarily be able to afford now.
- By discussion with us, your legacy will be used in whatever way you wish.

WHY CHOOSE THE PENINSULA SCHOOL FEEDING ASSOCIATION?

The Peninsula School Feeding Association is a registered and trusted non-profit organisation that has since 1958, provided over 1.8 billion nutritious meals to underprivileged school children. Thus promoting a sound grounding for education, which is the key to everyone's future.

Our work takes everything back to the simple building block of the necessity for food if there is going to be growth and development.

OUR MISSION is to combat the prevalence of hunger in children attending schools and other educational institutions, through school feeding and other developmental initiatives.

OUR VISION is to reduce hunger in school children.

OUR AIMS ARE ...

- To reduce short term childhood hunger.
- To increase learner attendance at schools.
- To enhance a child's ability to learn.

Hunger and malnutrition prevent our disadvantaged school children from learning. This leads on to a lifetime of damage and continuation of the cycle of poverty – for the child, our society and our nation.

Your legacy will help us to dismantle this crippling disadvantage, by funding the feeding of hungry and malnourished school children into the future – the first step to making South Africa a winning nation.

Your bequest to the Peninsula School Feeding Association will have far-reaching effects that will multiply with the generations to follow.

"What we do now echoes in eternity"
